Who We Are

SISTERS ROAD TO FREEDOM, INC. is a non-profit organization providing families, primarily women and youth with services and programs to enrich every aspect of their lives.

Letter from the Editor and Founder, Therese Wright:

Greetings,

Wow, happy 7 years to us!!!!!!!

We are happy to report that 2018 has started out amazing. Our programs and services have expanded, we have committed directors and volunteers, and we are grateful to our donors who continue to support.

In the first five months of 2018, we serve over 20 families weekly through our food and clothing banks; 3 families have received financial assistance; we have performed community service over in the Bryan Station Road area, and we're happy to report that the Juvenile Court Diversion Program refers juveniles to this organization. These juveniles have been helping with the food and clothing banks.

Now, don't forget our one-of-a-kind Molding of Generation Z Summer Program through our Partners

For Youth Grassroots Grant! Yes, we are grateful that we are funded once again!!!!!!

Because we have so many community events taking place and coming up, we need more dedicated laborers. It is written in the Gospel of Luke 10: 1-2, “Now after this the Lord appointed seventy others, and sent them in pairs ahead of Him to every city and place where He himself was going to come. And He was saying to them, “The harvest is plentiful, but the laborers are few; therefore beseech the Lord of the harvest to send out laborers into his harvest.”

So, if you have an interest in serving, or if you'd like to know more about this organization, please contact me at (859) 536-7677 or sistersroadtofreedom@twc.com.

Lastly, from the bottom of my heart, I would like to thank the Board of Directors, community sponsors, individual donors, and volunteers who continue to sow a seed into Sisters Road To Freedom, Inc. by way of your time, talent and monetary donations for the last seven years!

In Christ's love,
Therese
